

Caniço de Baixo- Santo da Serra - Canicço de Baixo

We drive up to Camacha, we ride through a beautiful landscape to Santo da Serra. Every Sunday there is a still original farmers market in Santo da Serra. You will find a great range of seasonal exotic fruits, vegetables, wood-fired breads, home-baked cakes, and much more. Nobody misses out on food either. At Tia Rita it is worth looking for a place among the locals. It is worth looking at the church and taking a photo at the golf course on the way back before heading back to Caniço de Baixo.
